

**2020 CSA President
Adrian Dominguez, COO
ROLINC Staffing**

Colorado Staffing Association, Inc.

Keep Our Vision 2020

Greetings, Colorado staffing and recruiting professionals!

My name is Adrian Dominguez, and I am reaching out as the new President of the Colorado Chapter of the American Staffing Association. I have been privileged to be a part of the Colorado staffing scene for just over a decade. While having spent my staffing career with one company (ROLINC Staffing) where I serve as COO, I

am thankful to have built relationships with some of the best in the business, both in Colorado and nationally. I have had the opportunity to grow with ROLINC and see our team flourish but know that having the opportunity to work closely with other staffing companies and owners has also prepared me for leadership of CSA!

MY PASSION FOR STAFFING - Like many of you, I feel that staffing/recruiting found me, not the other way around. After being involved in non-profit missionary work with an orphanage in Bolivia, I joined a LEAN Manufacturing consulting company. From then on, I was hooked on manufacturing, but didn't know that staffing for that field would be my ultimate passion. In 2009, I was introduced to ROLINC Staffing's president and CSA's then-president, Bob Bidwell. The rest is history – from launching our Skilled Trades Division to business development to helping manage operations for multiple offices and taking on the role of Chief Operations Officer, I have found my passion in staffing.

MY PASSION FOR CSA - CSA has introduced me to AMAZING people, a wealth of information, vast networking opportunities, and innovative ways to run our businesses successfully. By being exposed regularly to the best technologies, service providers, and ideas, I have learned and applied so much of what I gained through CSA to my own business – and that is what CSA is all about. I am committed to keeping a positive trend for our chapter by seeing it continue to grow, expanding our community outreach and presence at the Capitol, and bringing in national voices of expertise to provide continuous educational resources for us all.

THANKS - I want to thank Jodi Ayers, our outgoing President, for her leadership over the last few years, along with Stephanie Ursini-Bennett, for all of her assistance during this time of transition. I want to THANK YOU for your participation in prior years and in 2020, and I want to invite you to come along with us as we "KEEP our VISION 2020" in the coming year.

If you ever have any questions or suggestions for our chapter, please don't hesitate to reach out to me at Adrian@rolinc.com or 303-364-5300 x201.
